Again you can find on T-Mobile some free download released from EA. This set is called [FRESH](#) and you can find 8 objects!

You can download one items per day, and here below are the instructions:

1. Go to [T-Mobile](#)
2. Click on "Sims 3 Cool Music Pack" > Get Content
3. Now you can see a menu on the left. Here deselect the field *Skate 3*, so now you can see only Sims 3 items.
4. Select from the top right, the article you would like to download
5. Once selected, you can see the item detail under the list. On the big preview you can see a button, called **Claim content**
6. So, click on **Claim content**
7. Now login. Use your TS3 account, the same you use to download from the official Store ([www.thesims3.com](http://www.thesims3.com))
8. After login, a pop-up ask you a code. Type **Get Connected** as promotional code.
